

PRODUCT DATA SHEET

Introduction

The egg crate return grille series provides 90% free area. Bars are 24-gauge, Type 304 stainless steel in a 1/2" x 1/2" x 1/2" grid core. Type 316 stainless steel is available at an additional cost. The egg crate core offers a large opening area for return airflow. Other blade size and spacings are available; consult with the factory for availability.
